2010 Michigan Walleye Tour Rules

- RULES AND RULE CHANGES.** These rules will remain unchanged unless otherwise notified at the Captains meeting. Interpretation of the rules will be to the discretion of the Tournament Director and the Rules Committee. The rules and the interpretations of them will be final and not open to protest. Safety rules may be changed at any time.
- PARTICIPATION AND ELIGIBILITY.** It is the contestant's responsibility for knowing and abiding by all MWT, local and state regulations, which pertain to the MWT tournament waters. Contestants must enter as a two-person team. Any person, 10 to 17 years of age must be accompanied by a parent or legal guardian. Observers may not participate in any way during tournament fishing hours.
- ENTRY INFORMATION.** A \$25.00 club membership must be purchased before entering any tournament. All participant memberships must be up to date and current to participate in any tournament. All entries must be received by the Tuesday before each tournament by 6:00 p.m. Any tournament entries after that time will be charged a \$50.00 late fee, and can still register by 6:00 p.m. at the captains meeting. NO other entries will be accepted after the cut off time. Early registration from **January 1st to March 1st** for teams entering all 4 qualifiers, qualifies you for the tournament placement drawing on **March 8th** for your boat numbers. This number will be used for the rest of the MWT circuit. We will continue to accept entries for all four tournaments until **February 28th**. On March 1st, entries will be accepted for individual tournaments on a first come first serve basis. Maximum number of boats will be 120 teams. A team loses all points and starts over for championship points if team members are changed. NO refunds will be given, with the exception of a death in the family. Club membership will not be refunded. Any entries not completely filled out, will be returned. The Saginaw Bay Walleye Club/Michigan Walleye Tour reserves the right to accept or reject any applications for any MWT event.
- ALTERNATE MEMBER.** A team may choose to name an alternate should one team member be unable to compete. The Alternate must be named before the first tournament of the season. The alternate name must accompany a completed entry form and payment must be made in full. Alternate must fish with at least one team member and may not fish alone. Only 1 alternate will be allowed per team per season. Teams may not change alternates throughout the season.
- SPORTSMANSHIP.** Entrants must conduct themselves in a true sportsmanlike manner at all times. NO EXCEPTIONS. Courtesy and ethics of the highest standard are the norm, not the exception. Remember that you not only represent yourselves, but all tournament anglers and competitive fishing. Any rude or insulting type of behavior will be subject to disqualification or penalties enforced.
- SAFETY.** Safety must be observed at all times. All contestants must wear Coast Guard approved PFDs while the boat is moving above trolling speed. Each contestant is to follow all Coast Guard regulations. All boats are required to have, and in working order, an emergency cut off switch that must be securely attached to the driver whenever the boat is above trolling speed. No Alcoholic beverages or illegal substances may be consumed or in possession by teams during fishing hours.
- BOATS AND EQUIPMENT.** All boats will be inspected prior to the start of that day of fishing. A "boat identification board" will be issued after inspection and also a colored ribbon marker for on the water identification. Teams are responsible for returning of the boat boards. A \$25.00 fine will be charged for not returning a boat board. This is for safety; it is to show that you have returned back from fishing. All boats must conform to the appropriate state, and USCG standards. Your boat must have USCG safety equipment on board. All outboards used in the MWT tournament must not exceed the horsepower rating set by the USCG ruling November 1, 1972. All boats will have an USCG or BMA plate attached by the boat manufacturer and the horsepower rating will not be exceeded by any means. Kill switches must be in working order. Bait and tackle may not be passed between boats after the tournament has started. Tournament staff is not permitted to loan their boats, or equipment to any tournament fisherman during the tournament. No binoculars or cameras with telephoto lenses are to be used during tournament hours.
- MARINE RADIOS AND CELL PHONES.** You must also have your own working VHF marine band radio. Radio units will not be loaned out for any reason, by the MWT. Teams will not be allowed to fish without a marine radio. The official tournament channel will be announced at the captains meeting. Marine Radios, CB's, Cell Phones, Scanners, and Two Way communicators with GPS functions are allowed for emergency use only. Any type of transmission of information via any communicative device concerning any aspect of fishing is prohibited during the tournament. [Communication of fishing information between fishermen is prohibited.](#) If you are going to be carrying cell phones on your boat for emergency use, you must list the cell phone numbers on the tournament application.
- CAPTAINS MEETINGS, FLIGHTS AND LAUNCHING.** Mandatory captains meetings (no exceptions) will be held prior to the tournament at 6:00 p.m. It is required that one team member must attend and sign in. The meeting place will be posted at the MWT trailer. Each team will be allowed 8 hours of fishing including travel time. Teams returning late will forfeit their weight for that day. Flighting may be used. A third party observer may be used at any time and for any reason. The observer must be at least 18 years of age or older and must sign a waiver. Boundaries for the particular tournament are available upon request. There will be no early weigh in except for breakdowns or emergencies. Contestants must leave and return to the official tournament site **by your own boat only.**
- FISH AND FISHING.** A dead fish penalty of .25 pounds per dead fish, will be used at all tournaments. All state or provincial fishing regulations and rules will be observed unless the Tournament Director specifies more stringent regulations Five (5) 15" minimum fish. Unless otherwise notified, and or State, Provincial, or Federal Laws permit. Slot limits may be in effect. Only walleye, sauger, or saugeye caught on hook and line in a conventional sporting manner will be accepted for weight in. A three (3) lure limit will be allowed per angler. Both artificial and live bait can be used and only five (5) walleye per team at the dock will be weighed in. All fish must be kept in aerated live wells or coolers to keep fish alive and as fresh as possible for release. Use of stringers, wire fish baskets, boat bags, etc. is prohibited. Any fished mauled, frozen, stringered, injected with water or other fluids containing foreign matter to add weight or showing white gills, soft flesh, sunken eyes, or gills that won't bleed, may result in disqualification from the tournament and/or MWT at the discretion of the Director and rules committee. Culling of dead fish is prohibited. Undersize fish will result in that day's loss of total weight. Once the tournament has started, (captains meeting) all contestants are prohibited from fishing except during tournament hours. All boats are subject to inspection on and off the water by tournament officials, state, local or Federal authorities. Only five fish or less can be weighed for big fish basket each day (most weight). There will be no re-weighing of fish. The weight stands that reads on the scales or by the discretion of the weigh master only. No exceptions. All contestants must possess a valid fishing license for the waters fished.
- SEVERE WEATHER RULE.** In the event of severe weather, the tournament hours may be suspended or cut short. A tournament may be cancelled at the discretion of the staff at the event. If the tournament day is cut short due to severe weather, no weight for the day. "If you see lightning, take shelter!"
- CHAMPIONSHIP POINT DETERMINATION.** All prizes and points are awarded by team weight. Each event will be worth a maximum of 100 points + 40 show points regardless of number of entries. A total of 140 championship points per event. Teams have to be present to receive merchandise prizes. In the event of a tie for 1-10th place, the cash prizes for the tied place and the next lowest place will be added together and the two teams will equally share the winnings. **Checks must be picked up in person at tournament site.** When non-cash prizes are involved, the non-cash prizes for the tied place, and the next lowest place, will be determined by a gentleman's agreement or by a drawing. A member of the MWT staff will do the drawing. In the event of a tie, at any place, points will be to both teams based on the higher place. "No Weight - NO Points" (show points only).
- STATE CHAMPIONSHIP QUALIFICATIONS.** To qualify for the state championship, teams will be chosen based on year end point totals. A total of 41 teams will be invited to the state championships. The breakdown is as follows: champions from previous year championship, and then the next 40 teams with the highest points. Alternates will be the next highest in point standings, should any qualified teams not be able to attend the championship.
- PROTEST.** The tournament committee or any other contestant has the right to protest another team or contestant. The protest must be filed in writing; with in one (1) hour of the last flight time, on the last day of the tournament, with the Tournament Director. Protest forms are available from the Tournament Director.
- SPIRIT OF THE RULE.** All rules have "loop holes". It is the intention for the Tournament Director and the committee to provide a sportsman like tournament. All questions or problems are to be referred to the Tournament Director and the Rules Committee. They have sole jurisdiction in determining the application of the rules. The committee will be named at each tournament site. Any disqualification will result in the loss of all championship points for that event. If you are disqualified, you are not entitled to any refund.
- WAIVER AND HOLD HARMLESS.** All contestants in signing an entry form agree to hold harmless any and all promoters, tournament directors, agents, and organizations assisting the MWT and/or Saginaw Bay Walleye Club tournament operation. Furthermore, all contestants agree to waive all responsibility for death, injuries, damage, liability, theft, fire or loss of any kind to entrants. I have read, and understand the above rules, and by signing the entry form is in fact signing a waiver form. No unsigned entry will be processed for competition.
