RE: Detroit River and Lake Erie Events

UPDATE:

In addition to the Detroit River event, the Lake Erie M.W.T. event scheduled for May 2-3rd will also be canceled. Due to recent guidelines instituted by the Michigan Department of Health and Human Services and circumstances beyond our control to limit exposure of the COVID-19 virus, these measures are necessary for the health and safety of all.

The SBWC will now be issuing refunds to ALL teams who entered the Detroit River and/or Lake Erie events. Those teams who pre-registered for all four events will be receiving refunds for both events. The refunds will be issued in the form of a check and we anticipate checks going out in the next couple weeks. Please be patient as we all work through this difficult situation.

Future recommendations regarding upcoming events will be made as details become available.

Please stay safe and healthy. We look forward to seeing everyone on the water soon.

Sincerely,

Ernie Plant
